

# ***Source Selection Tools***

**U.S. AIR FORCE**

---

## ■ **EZSource**

- Developed by Aeronautical Systems Center (ASC), Wright-Patterson AFB
- See [www.pixs.wpafb.af.mil/paso/ezsource.htm](http://www.pixs.wpafb.af.mil/paso/ezsource.htm) for virtual demonstration
- POC: Kerry Estes, DSN 785-5471, [kerry.estes@wpafb.af.mil](mailto:kerry.estes@wpafb.af.mil) or Naomi Kump (contractor), DSN 785-5442, [naomi.kump@wpafb.af.mil](mailto:naomi.kump@wpafb.af.mil)

## ■ **Electronic Source Selection (ESS) tool**

- Developed by Space and Missiles Center (SMC), Los Angeles AFB
- See [ax.losangeles.af.mil/axd/esst/download/esstool.htm](http://ax.losangeles.af.mil/axd/esst/download/esstool.htm) to download tool
- POC: Capt Abel Carreiro, DSN 833-6988, [abel.carreiro@losangeles.af.mil](mailto:abel.carreiro@losangeles.af.mil)

## ■ **DecisionPoint**

- Developed by AcqCenter, division of Integrated Data Systems (IDS)
- See [www.acqcenter.com](http://www.acqcenter.com) for more information
- POC: Bob Watts, (703) 654-9161, [bob.watts@acqcenter.com](mailto:bob.watts@acqcenter.com)

## ■ **Others may exist...**

**While detailed capabilities of the above tools vary, all the tools facilitate the creation, organization, communication, and documentation of source selection information**
